◯ No

29. Enter the TOTAL Number of Pursuits (2023 Calendar Year)

> Enter the total number of vehicle pursuits for 2023.
>
> **If three (3) agency officers were involved in the same pursuit, it is still just <u>one</u> pursuit.**

30. Based on the TOTAL number of pursuits you provided, please break down that total into the following categories. The sum of your answers to this question should match the total number of pursuits you indicated:

Terminated by officer

Terminated by supervisor

Offender vehicle escaped

> This question is regarding the ways the pursuit ended. **The sum of the answers in this question must equal the total number of pursuits reported in Question #29.**

Offender vehicle voluntarily stopped

Offender wrecked (not caused by police intervention)

Offender stopped by police

31. On the last question, did you indicate that one or more of the pursuits ended where the offender wrecked (not caused by police intervention)?

    ⦿ Yes

    ⦿ No

32. Since you indicated that in one or more instances the offender wrecked, please enter the totals based on the following circumstances:

    Single vehicle (offender): _____

    Third Party Vehicle: _____

    Pedestrian: _____

    > In Question #30 and Question #31, the agency indicated that one or more of the pursuits in 2023 ended when the suspect / offender wrecked and the wreck was <u>not caused by police intervention</u> (such as a PIT maneuver, stop sticks, etc). Indicate if the wreck involved just the offender / suspect's vehicle, another third-party vehicle, or a pedestrian. **The total listed must equal the number indicated as "offender wrecked" in Question #30.**

33. Within the total number of pursuits, did you indicate that your agency had one or more pursuits where the police stopped the offender?

    ⦿ Yes

    ⦿ No

34. Does your agency allow officers to utilize the PIT maneuver?

    ⦿ Yes

    ⦿ No

    > Self-explanatory.

35. Since you indicated your agency had one or more pursuits where the police stopped the offender, please indicate the number of pursuits listed by the method below. The sum of your answers to this question should match the total number of pursuits where the offender was stopped by police:

    PIT Maneuver: _____

    Stop Sticks, : _____

    Rolling Roadblock, : _____

    Boxed-In: _____

    Stationary Roadblock: _____

< 1 minute	
1-4 minutes	
5-8 minutes	
9-11 minutes	
12-15 minutes	
16-19 minutes	
20-23 minutes	
24+ minutes	
Unknown	

List the duration, in minutes, of the pursuit. **The sum of the answers listed must equal the total number of pursuits indicated in Question #29.**

39. Length of Pursuit (Distance): The sum of your answers to this question should match the TOTAL number of pursuits:

<1 mile	
1-5 miles	
6-9 miles	
10-13 miles	
14-17 miles	
18-21 miles	
22-25 miles	
26-29 miles	
30 or + miles	
Unknown	

List the distance, in miles, of the pursuit. **The sum of the answers listed must equal the total number of pursuits indicated in Question #29.**

40. Maximum Speed during Pursuit. The sum of your answers to this question should match the total number of pursuits as entered in the previous question:

Posted or less

1-10 MPH over

11-20 MPH over

21-31 MPH over

31-41 MPH over

41-51 MPH over

51 or + MPH over

Unknown

List the maximum speed, <u>above the speed limit</u>, of the pursuit. **The sum of the answers listed must equal the total number of pursuits indicated in Question #29.**

<u>Example:</u>
The maximum speed reached in a pursuit was 107 mph in a 70 mph zone. Therefore, the maximum speed was 37 mph over. Indicate the answer in the "31-41 mph" box.

41. Out of your total number of pursuits, are any of the pursuits considered inter-jurisdictional?

☐ Yes

☐ No

Self-explanatory.

42. Since you answered yes, that your agency had pursuits that involved multiple jurisdictions, please indicate out of the total number of pursuits previously indicated the number of pursuits that were INITIATED vs. ASSISTED in your jurisdiction.

*PLEASE be sure that your totals tallied on this question equals the TOTAL number of inter-jurisdictional pursuits.

Number of Inter-Jurisdictional Pursuits - Initiated

Number of Inter-Jurisdictional Pursuits - Assisted

Out of the total number of interjurisdictional pursuits, list how many were initiated by the agency and how many did the agency assist another initiating jurisdiction.

INJURIES (PURSUIT RELATED)

43. Offender Injured (enter 0 for none)

Fatal: _____

Serious: _____

Minor: _____

List the total number of <u>offender injuries</u>, by injury type. Enter "0" if none. This refers to injuries <u>resulting from the pursuit</u>. Do not list injuries sustained by the offender prior to the initiation of the pursuit.

<u>Examples:</u>

The offender was killed after his / her vehicle wrecked during a pursuit. Indicate "1" next to fatal injuries.

The offender was shot by a security guard during the commission of a bank robbery. He then led law enforcement in a pursuit, which ended after an officer performed the PIT Maneuver. Since the injury occurred before the pursuit, it is not included in this question.

44. Offender Passenger(s) Injured (enter 0 for none)

Fatal: _____

Serious: _____

Minor: _____

List the total number of <u>offender's passengers' injuries</u>, by injury type. Enter "0" if none. This refers to injuries <u>resulting from the pursuit</u>. Do not list injuries sustained by passengers prior to the initiation of the pursuit.

<u>Examples:</u>

The passenger was killed after the offender's vehicle wrecked during a pursuit. Indicate "1" next to fatal injuries.

The passenger was shot by a security guard during the commission of a bank robbery. The passenger fled in a vehicle, driven by the offender. The offender then led law enforcement in a pursuit, which ended after an officer performed the PIT Maneuver. Since the passenger's injury occurred before the pursuit, it is not included in this question.

45. Third-Party Injured: (enter 0 for none)

Fatal: [ ]

Serious: [ ]

Minor: [ ]

List the total number of <u>third-party injuries</u>, by injury type. Enter "0" if none. This refers to injuries <u>resulting from the pursuit</u>. Do not list injuries sustained by a third-party prior to or after a pursuit.

<u>Examples:</u>

A passenger in a third-party vehicle was killed after the offender's vehicle wrecked into it during a pursuit. Indicate "1" next to fatal injuries.

The passenger in a third-party vehicle was being driven to the hospital after suffering a broken arm. The pursuit offender's vehicle wrecked into the third-party vehicle. Since the passenger's injury (broken arm) occurred before the pursuit, it is not included in this question. HOWEVER, if the passenger suffered <u>any additional injuries</u> as the result of the pursuit, it should be listed.

46. Law Enforcement Officer Injuries: (enter 0 for none)

Fatal: [ ]

Serious: [ ]

Minor: [ ]

List the total number of <u>law enforcement officers</u>, by injury type. Enter "0" if none. This refers to injuries <u>resulting from the pursuit</u>. Do not list injuries sustained by a law enforcement officer prior to the initiation of the pursuit.

<u>Examples:</u>

A law enforcement officer was seriously injured while pursuing an offender. Indicate "1" next to serious injuries.

A law enforcement officer sustained minor injuries during a scuffle with the offender on the roadside after a traffic stop. The offender fled, and the law enforcement officer initiated a vehicle pursuit. The offender voluntarily stopped. Since the law enforcement officer's injury (broken nose, scratches, bruises) occurred before the pursuit, it is not included in this question. HOWEVER, if the law enforcement offer suffered <u>any additional injuries</u> during or as a result of the pursuit, it should be listed.
