COURSE INFORMATION

This is an 8-hour high-speed training presentation that is designed for Patrol Officers/Deputies, K-9 Handlers, SWAT team members, Dispatchers, Field Supervisors, and Watch Commanders. This will cover the tactics currently being used by suspects to avoid capture, suspect hiding locations, safe and effective search techniques, foot pursuit tactics, tactical communication, and perimeter containment tactics. The class also debriefs five "shots fired - officer down" scenarios as they relate to perimeter containment.

BACKGROUND

Jack Schonely is the author of *"Apprehending Fleeing Suspects; Suspect Tactics and Perimeter Containment"* and has been working as a law enforcement officer for over 29 years. Mr. Schonely is a nationally recognized expert in the area of suspect tactics and perimeter containment. Mr. Schonely has participated in over 2,000 perimeter containments during his career, and he has seen many successes and failures.
